Rob,

Thank you for your time yesterday. We are looking forward to your visit.

As I mentioned, there are a few follow up questions I have in order to prepare for your visit on October 3 from 11:15-12:00.

Please note that you will need to be at EPA by 10:50 in order to have everyone go through security and be escorted to the meeting room.

1) Please send me a list of the participants attending on the 3rd- this information will be required to go through security and getting it to security earlier will hasten the process.

2) Please also send me a list of specific questions you may ask during the meeting. Since this meeting is only 45 minutes, having the information beforehand will greatly facilitate the conversation.

I will follow up with you on any directions you need and other meeting information as soon as I am aware. Please don't hesitate to contact me if you have any questions or concerns.

Thank you!  
~Marissa
